Get to Know Clare

ABOUT THE ARTIST

Hailing from a tiny rural village called Collon, in Co. Louth, Ireland, Clare Cunningham is an independent, award-winning singer-songwriter, performing, touring, and recording artist now making her dreams come true in Nashville, Tennessee. Her raspy, Celtic, soulful voice, with the ability to span across a multitude of genres, is what leads her to be an extremely unique artist.

Clare, who debuted at the Grand Ole Opry in March of 2023, had notable success before moving stateside as the lead singer of all female Swedish quintet THUNDERMOTHER (2013-2018) where she released two vinyl albums ([Road Fever](#) and [Rock 'N' Roll Disaster](#)). She was signed to WARNER MUSIC SWEDEN, her first major record deal, gaining support from Motörhead, Zakk Wylde (BLS), Halestorm, In-Flames and many more.

MENTAL HEALTH AWARENESS

Having faced a lot of adversities in her own life, Clare feels she must give back to her listeners and be real, raw, and honest to help de-stigmatize the conversations around mental health, including addiction, suicide, anxiety, depression, and many more problems our world is facing. Her EP MERCY released September 2022, does exactly just this. Clare exclaims 'If I can leave this world a little better off than when I entered, I'll know I fulfilled my life's purpose.'

"As a mental health advocate, I want to use my platform to be a voice for those who feel they can't express themselves or are too afraid to speak up and be a vessel of inspiration, hope, love, truth, and faith for those around me so that nobody ever feels like they are in this world alone"

Clare came back to faith at the end of 2020 and her music is now reflecting how she has become a conduit to her Lord Savior Jesus Christ. Her brand new Christian/inspirational album 'HELPING HAND' released worldwide on July 7th 2023. She is on a mission to show that her past no longer defines who she is and that her outward canvas does not reflect what's on the inside.

She says, 'I want people to really get to know me and spend a few moments in my presence before judgment is passed on my appearance. My tattoos can cause a little controversy but I believe GOD uses my appearance to prove a person does not have to look like a Christ follower to be one'.
